

1156 WINDSOR GATE LEG TABLE

This elegant dining room table is ideal for use in a smaller room or compact space. The dining table offers flexible and convenient dining options, taking up very little space when it is closed. It can be extended by lifting either one or two of the drop leaves. When half extended it seats two people, when fully extended the table seats up to four comfortably. The gentle curves and sophisticated detail on the table legs combined with the solid ash table top reflect craftsmanship and design that is characteristically ercol. The Windsor gate let dining table is available in a selection of lacquer colours.
