

# 1364 BOSCO 6 DRAWER TALL CHEST

A superbly useful piece of furniture, with plenty of storage in its six deep drawers, whilst its tall, narrow design means you can fit it in a small space - it is just 53 cm wide. Not only does this chest of drawers provide plenty of storage for your clothes, but it also looks great - with the signature Bosco curved finger joint on the top corners of the chest and finger joint details on all of the drawer fronts. A curved recessed drawer handle is both wonderfully tactile and simply elegant.
