

1385 BOSCO LARGE SIDEBOARD

This spacious oak sideboard has two generously sized storage cupboards offering plenty of storage space. Four large drawers sit between the two cupboards providing additional room for storage. Curved recessed drawer and door handles are both wonderfully tactile and simply elegant. This oak cabinet also features the signature Bosco curved finger joints on the top corners of the unit and finger joint details on all of the drawer fronts. The Bosco sideboard is finished in our clear matt lacquer, providing protection whilst at the same time showing the beauty of the timber. We recommend fixing this sideboard to the wall for stability using the fixings provided.
