

1398 BOSCO SMALL EXTENDING DINING TABLE

The Bosco small extending dining table is versatile yet stylish seating 4-6 people when closed and 6-8 people when extended. Simply slide out the end section to reveal the extension leaf. When it is not in use, the leaf sits hidden within the table. Curved finger joint details feature on each of the table corners. Part of our oak dining room furniture collection, this small dining table is finished in our clear matt lacquer, providing protection whilst at the same time showing the beauty of the oak. To enable the dining table to get through your door, it comes packed flat and requires assembly.
