

2610 TERAMO DRESSING TABLE

This dressing table and mirror are a statement addition to the Teramo bedroom range. Following the signature tapered turned legs and curved detailing, it creates the shaker style, synonymous with the collection. A stunning oak framed circular mirror creates design appeal whilst the two vanity drawers offer plenty of space to store jewellery or cosmetics. The double chamfered edges on the oval drawer handles create a defined and modern profile that are tactile to use. The Teramo collection is finished in clear matt lacquer, providing protection whilst emphasising the natural beauty of the oak.
