

2653 ROMANA HIGHBOARD

This striking oak high board is a statement piece of furniture, combining modern styling with practical storage. Three large storage cupboards, all with adjustable shelves for complete flexibility, in addition there are two standard drawers and a third extra deep drawer for extra storage all have convenient soft close mechanisms. The front edge of the high board top has the signature soft curve, and the legs have the fluid organic curves and chamfers, that characterise Romana. Fluid wave-shaped cut-out recesses provide the door and drawer handles, another design signature of the range. This beautiful piece of oak furniture is finished in a clear matt lacquer to display the natural timber to the full.
