

# 3665 TERAMO LARGE SIDEBOARD

The Teramo large sideboard in pale oak is timelessly elegant, inspired by the simplicity of Shaker style yet incorporating some traditional elements such as dovetail jointed drawers and an overhanging top. There is a cupboard on each side, each with a single deep adjustable shelf inside. Between the cupboards are three drawers, with the lowest drawer slightly deeper. This contemporary yet classic wooden sideboard has distinctive oval handles and elegantly turned legs design touches that are characteristically ercol.
