

# 3820 WINDSOR SIDEBOARD

This Windsor sideboard offers extensive storage space. Two compartments either end of the cabinet contain an adjustable shelf. The compartments are fronted by magnificent ash doors and oval sculpted handles which twist to open the doors. Three deep drawers are positioned between the two cupboard compartments and are the perfect solution to storing smaller items. This ash furniture will be finished in your choice from a range of lacquer colours that both protects the timber, whilst enabling you to choose the look to match your style and decor.
