

## 3821 WINDSOR 2 DOOR HIGH SIDEBOARD

This classic sideboard offers handcrafted dovetail joint detailing on the cabinet corners as well as wooden sculpted handles in oval recesses that echo the shape of the handles. In a lovely design feature, the handles twist to open the doors. This attractive sideboard offers plentiful storage, with a large cupboard that has adjustable shelves and two spacious drawers above. The Windsor collection is finished in a choice of 7 lacquer colours that both protects the timber, whilst enabling you to choose the look to match your style and dcor.
