

# 3831 WINDSOR WIDE IR TV UNIT

Featuring the ercol IR eye, with this Windsor TV cabinet you can use your remote control for your DVD player and Digi boxes with the wooden doors closed, keeping your electronic gadgets and all the wiring hidden from view and free from dust. Inside the cupboard, sits an adjustable glass shelf, maximising flexibility. DVD storage is offered in the form of two spacious drawers positioned to the left of the cupboard compartment. Wooden oval handles within a slight oval recess feature on the drawers and cupboard doors and add a lovely detail to the ash cabinet reminding us that this piece is classically Windsor. This wide TV unit is ideal for today's large screen TVs. The TV cabinet will be finished in your choice from a range of lacquer colours that both protect the timber, whilst enabling you to choose the look to match your style and decor.
