

3845 WINDSOR SMALL DISPLAY CABINET

This elegant freestanding Windsor display cabinet, with its attractive glass shelves and internal lights, offers the perfect display space for your glassware and crockery. The glass doors which front the display cabinet boast ground glass shadows that reflect the oval shape of the recess in the wooden Windsor cabinets. Two adjustable glass shelves provide plenty of space and enable the lights to illuminate throughout the cabinet. This Windsor display cabinet will be finished in your choice from a selection of lacquer colours that both protects the timber, whilst enabling you to choose the look to match your dcor. Appropriate fixtures and fittings are provided in order to secure this cabinet to the wall for stability.
