

3893 SALINA BEDSIDE CABINET

The Salina bedside cabinet is a stylish and extremely practical piece to complete the Salina Collection. It has a practical tray top which prevent items rolling off the surface, a handy drawer at the top of the cabinet and a large cupboard space beneath it. There is an additional design feature which allows you to reverse the door allowing you to open it from the right or the left hand side. The bedside cabinet is finished in a white washed stain and clear matt lacquer to sit perfectly beside the Salina bedstead.
