

4065 MONZA LARGE SIDEBOARD

The Monza large sideboard is both functional and stylish. The stunning feature herringbone veneer oak pattern is displayed to its best advantage on the doors and drawers of this cabinet and show the character and tactility of the rustic oak. The rich patina oak is finished in a clear matt lacquer that highlights and protects the natural grain, the tapered black plinth and legs give a feel of lightness. Two cupboards with adjustable shelves and three capacious drawers provide plenty of storage, making the sideboard a very practical piece of furniture.
