

# 4066 MONZA UNIVERSAL CABINET

Storage is always needed in any home and the universal cabinet is a modern way of introducing storage into any room in the home, a smaller foot print and increased height makes it very practical for a modern home. The statement herringbone design of the alternating patina oak is seen to full effect on this piece making both eye-catching and practical finished in matt lacquer to protect the surface. Functionality is further enhanced by the two adjustable shelves and useful spindle shelf under the cabinet and framed by the elegant tapered black legs give a lightness of touch.
