

# 4067 MONZA MEDIA UNIT

The Monza media unit is designed with elegant proportions, large enough to take a wide TV yet still able to fit into a smaller recess. It has a central but adjustable shelf space, ideal for media boxes, a cable hole at the back that allows leads to be fed behind the cabinet and neatly stored away. Additional storage is created by the two end cupboards with alternating angled textured wood grain on the doors that add the design style and feature of the Monza collection.
