

4080 LUGO LARGE SIDEBOARD

This modern design sideboard is defined by its slim tapered legs, rounded profiled frame and flush drawers and doors, characteristic of the mid-century Scandi style of the Lugo collection. Crafted from solid tulipwood and with a deep, rich toned matt lacquer, this timeless large sideboard has plenty of storage space, with a double door cupboard with an adjustable shelf. The door and drawer handles are crafted into the solid wood to create smooth and tactile drawer pulls, all of which have soft-close mechanisms for added convenience.
