

2658 ROMANA OPEN MEDIA SIDEBOARD

The Open Media sideboard features a signature soft curve, and the legs have fluid organic curves. This modern piece works well as a conventional sideboard but has also been designed as a practical home entertainment console. Fluid wave-shaped cut-out recesses provide the door handles, the design signature of the range. Two cupboards provide plenty of storage space, with an adjustable shelf to suit your needs, along with a central shelf section with two adjustable shelves. This charming piece of furniture is finished in clear matt to enhance the natural wood grain.
