

# 7912 CHAIRMAKERS ROCKING CHAIR

In 1956 Lucian Ercolani designed the Chairmakers Rocker, an example of classic Windsor craftsmanship. The Chairmakers Rocking Chair features a traditional spindle backrest with eight, finely-tuned spindles and durable, solid wooden legs that grant the chair a range of movement, allowing users to lean back and enjoy the simple pleasure of sitting in a rocking chair. Manufactured in solid ash, the rocker is offered in all ercol ash wood finishes and paints.
