

3840 WINDSOR SMALL BOOKCASE

This versatile bookcase has two adjustable wooden shelves for storing books, its smaller proportions make it the perfect storage solution for a more compact space, ideal for your living room, study or home office. The natural beauty of the wood grain is high lighted by the lacquer that protects the timber, and can be chosen to match your style and décor. This bookcase should be fixed to the wall for stability. Fixtures and fittings are provided for this.
