

3846 WINDSOR MEDIUM DISPLAY CABINET

This freestanding glass display cabinet is equipped with four adjustable glass shelves, ample space for displaying glass wear or ornaments. Internal lights maximise the display potential of this glass cabinet. The glass doors which front this display cabinet have ground glass shadows that reflect the oval shape of the handle recess in the wooden Windsor cabinets. This Windsor cabinet will be finished in your choice from a variety of lacquer colours that both protects the timber, whilst enabling you to choose the look to match your style and décor. Like all tall furniture, this glass display cabinet should be fixed to the wall for stability. Fixtures and fittings are provided for this.
