

7392 STACKING CHAIR

Purpose-built for convenience, the outward-facing legs of the Stacking chair allow the chairs to be stacked vertically when not in use. Providing a simple yet gracious seat that effortlessly lends itself to any number of occasions and settings. Additionally, the Stacking chair features traditional woodworking elements, including the iconic Windsor wedge and tenon joint. Constructed of solid ash timber, the Stacking chair is offered in a selection of distinctive finishes.
