

7450 LOVESEAT

Designed in 1956, the Loveseat reflects Lucian Ercolani's eye for detail and features his signature blend of beauty and functionality. Loosely inspired by the silhouette of the Windsor chair, the Loveseat is a striking statement piece full of attractive curves, tapered leg and spindles combine with a curved back rail. The solid ash seat is sculptured to provide a comfortable seat perfect for two. Manufactured in solid ash, the Loveseat is available in a selection of finishes.
