

# 4280G IBSTONE UNIVERSAL CABINET

A beautiful statement piece, the elegant Ibstone cabinet has the softly sculpted outlines and refinement that have always been ercol hallmarks. The bold 'sunburst' pattern is cut into the solid ash doors for a subtle three-dimensional effect, with a central disc handle set in a gently dished recess. Each individual piece has its own unique quality and look, reflecting the beauty and variety of natural wood grain, meaning no two pieces are exactly alike. ercol continues to support Grown in Britain to ensure that our British ash is responsibly and sustainably grown. This Ibstone cabinet is made from British-Certified ash timber and supplied fully assembled, it's available in all ash finishes.
