

1384 BOSCO SMALL SIDEBOARD

The elegant yet functional Bosco small sideboard offers two large cupboards, with adjustable shelves, above the cupboards are two deep drawers, providing additional storage. Both the cupboard doors and the drawers have the design feature of recessed handles which are tactile and simply elegant. This oak sideboard also features the signature Bosco curved finger joints on the top corners of the cabinet and finger joint details on all of the drawer fronts. Part of our oak furniture collection, this small sideboard is finished in our clear matt lacquer, providing protection whilst at the same time showing the beauty of the oak. We recommend fixing this sideboard to the wall for stability using the fixings provided.
