

2646 ROMANA SMALL SIDEBOARD

This Romana oak sideboard has a clean modern outline and combines a storage cupboard with three drawers for additional storage. The front edge of the sideboard surface has the signature soft curve, and the legs have the fluid organic curves and chamfers, that characterise Romana. Fluid wave-shaped cut-out recesses provide the door and drawer handles, the design signature of the range. The cupboard has a wooden shelf mounted on pins and is height adjustable. The three drawers and the door hinges have soft-close mechanisms. This lovely piece of oak furniture is finished in a clear matt lacquer to show the beauty of the natural timber.
