

2647 ROMANA 2 DOOR SIDEBOARD

This oak Romana sideboard has two separate cupboards, providing plenty of storage space. The front edge of the sideboard surface has the signature soft curve of this collection, the legs have the fluid organic curves and chamfers, that also characterise Romana. The cupboards each have a wooden shelf mounted on pins and can be adjusted in height. The door hinges have soft-close mechanisms to give a gentle shut. This lovely piece of oak furniture is finished in a clear matt lacquer to show the beauty of the natural timber.
