

2683 TERAMO 5 DRAWER WIDE CHEST

The timeless shaker style design of this Teramo five drawer chest of drawers can be easily incorporated into modern or more traditional décor. This chest of drawers provides plenty of useful storage with its five deep drawers. The double chamfered edge on the traditional oval handles creates a defined and modern profile and is wonderfully tactile. Tapered turned legs and fluid curved corners on the top of the chest are characteristically Teramo and simply beautiful. This oak furniture is finished in our clear matt lacquer, providing protection whilst at the same time showing the beauty of the timber. We recommend that you fix this chest of drawers to the wall to ensure stability - fixtures and fittings are provided.
