

2685 TERAMO 6 DRAWER TALL CHEST

This attractive and functional chest of drawers is the perfect storage solution for a smaller bedroom or compact space. Though it is only 63cm wide, it offers ample storage space for clothes in six deep drawers. It also looks superb with beautifully fluid curved corners on the top of the chest and tapered turn shapes in the legs. The wooden handles complete the look, to give a characteristically unfussy and natural feel to this chest of drawers. This oak furniture is finished in our clear matt lacquer, providing protection whilst at the same time showing the beauty of the timber. We recommend that you fix this chest of drawers to the wall to ensure stability - fixtures and fittings are provided.
