

5001-DB WOOTTON 3000 SPRING DOUBLE MATTRESS

Hand-crafted in Yorkshire from hemp and 100% natural British wool, the Wootton mattress has 3,000 pocket springs, including the fully-recyclable Cortec™ Quad system of smaller, finer springs that contour precisely to the body for responsive support and exquisite comfort. They also have layers of HD springs, which work completely independently from one another, relieving pressure and providing greater comfort and lumbar support. With a British-woven mattress cover and two rows of side stitching, the Wootton mattress has a firm feel and is turn-free for easy care.
