

2686 TERAMO 2 DOOR WARDROBE

The Teramo double wardrobe offers substantial storage space. It has a large compartment with a sturdy wooden hanging rail, providing ample room to hang your clothes. A generously sized drawer sits beneath the main storage compartment offering the perfect storage solution for shirts or knitwear and the like. Double chamfered edges on the traditional oval handles create a defined and modern profile and are wonderfully tactile. This oak wardrobe is finished in a clear matt lacquer to both protect the timber and show off the beauty of the wood. For ease of access, this wardrobe comes packed flat and requires self assembly. Like all tall furniture, this wardrobe should be fixed to the wall to ensure stability - fixtures and fittings are provided.
