

5003-DB CULWORTH 10,000 SPRING DOUBLE MATTRESS

With its pillow top, the Culworth is a sumptuous mattress you sleep 'in' rather than 'on'. It has 10,000 pocket springs including 750 Cortec™ Quad recyclable system of springs that contour to the body for exquisite comfort. They also have 5 layers of HD springs, which help to relieve pressure and provide greater comfort and lumbar support on this medium feel mattress. The mattress is hand-crafted using natural materials including wool, hemp, Egyptian cotton and mohair; a British-woven mattress cover and two rows of side stitching provide edge-to-edge support for a truly luxurious night's sleep.
